

## **High Precision Linear Motion Made Easy Lunch N' Learn Seminar**

Fri, Oct 02

*Place:* Hilton Garden Inn Dorval Aeroport, St. Laurent, Que. (Montreal)

*Web Site:* <http://www.electromate.com/news/?c=calendar>

*Category:* 2009 Events

*Additional Information:*

Electromate will be hosting a 'High Precision Linear Motion Made Easy' seminar with Nippon Pulse America, Galil Motion Control and Ibex Engineering. Designers in the medical, biotech, pharmaceutical, optics, photonics, research and lab automation markets who are looking to gain a better practical understanding of motion control technology in linear & rotary micro and nano positioning applications would benefit.
