

## **Hirschmann 2010 Mission Critical Network Design Seminar**

Sun, Sep 19

*Place:* Orlando, Fla.

*Category:* 2010 Events

*Additional Information:*

The Mission Critical Network Design Seminar is focused on industrial ethernet networking. The seminar is intended for system integrators; network design engineers; and anyone involved with the design, implementation and maintenance of mission critical Ethernet networks. During the seminar, attendees will learn how to effectively reduce costs and installation time by implementing a highly resilient network design. Register online at [www.belden.com/Hirschmann/designseminar\\_form.cfm](http://www.belden.com/Hirschmann/designseminar_form.cfm)
