

Machine Guarding and Safety Seminar

Tue, Oct 06

Place: IAPA Center For Health & Safety Innovation, Mississauga, Ont. (Toronto)
Times: from 08:00 to 01:00
Contact person: Barbara Whittaker
E-Mail address: bwhittaker@vickers-warnick.com
Category: 2009 Events

Additional Information:

Vickers-Warnick has anyone to register for its free Machine Guarding and Safety Seminars. Attendees will learn what the current and applicable safety codes and legislation are, what a PreStart Health and Safety Review is (and when exemptions can be applied), how AS-interface technology reduce costs and how current technologies can be applied and integrated to provide the best safety solutions. Presenters include John Murphy, corporate manager for fluid power and safety, and Frank Tomei, machine guarding specialist. [Get more information](#) here or [register online](#)
