

Energy Management Summit (Mississauga)

Tue, Sep 29

Place: Holiday Inn Select, Mississauga, Ont.

Web Site: <http://www.gavazzionline.com/emsummit/SummitOverview.htm>

Category: 2009 Events

Additional Information:

Carlo Gavazzi is hosting a free half-day seminar on solutions for energy management and power quality monitoring. The company says [these seminars](#) can provide solutions to improve power quality, reduce energy usage and increase profitability. They are designed for plant, facility, energy and sustainability managers, along with specifying engineers, construction engineers and contractors.
